What is Parent Portal?

- ▶ Parent Portal is an online tool that provides parents with real time information to access a student's schedule, attendance, assignments and grades in a secure online environment.
- ▶ Parent Portal should be used as a communication tool between the parent and child to discuss assignments and progress.
- ▶ **Note:** *The portal is not a means of communication with teachers. That will need to happen via e-mail.*

Who is eligible to have a Parent Portal account?

- ▶ Only parents and guardians of current students who are flagged to receive correspondence are eligible to activate a Parent Portal account. This information is gathered during registration.

What computer hardware do I need to use the Parent Portal?

- ▶ To effectively access your Parent Portal account, you need internet access.
 - Make sure to use Google Chrome, Safari, or Firefox for best results. The platform is not compatible with Internet Explorer.

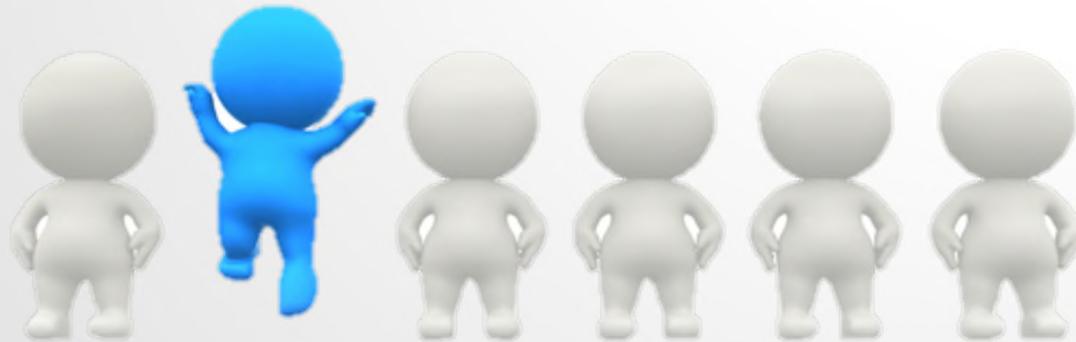

Where can I access the Parent Portal?

- ▶ You can access Parent Portal from anywhere with a computer and internet connection. You can even access Parent Portal on your cell phone (no app is required).
- If you have neither of these tools, please feel free to visit your child's campus library for device usage. The libraries will be accessible before and after school, as well as during lunch.

Do I need a separate login for each of my children?

- ▶ No, however, you will need a unique Portal ID for each child to link them up to your account.

How many times can I log in incorrectly?

- ▶ You can log in incorrectly three times. After the third try you will have to wait 20 minutes until you can try again.

How does one get a Login, Password, and Parent Portal User ID?

- ▶ Parents/Guardians choose their own username and password.
- ▶ You can obtain your student's portal ID by requesting it from your child's campus clerk or counselor.
 - After you create an account, you will be prompted to enter the unique ID in order to link up your child's information.
 - The email connected to the portal **MUST** be verified in order to receive alerts AND be the email listed on file with the district.

When can I access the Parent Portal?

- ▶ The Parent Portal will be available to registered parents/guardians 24 hours a day, 7 days a week.

Can other people see my child's information?

- ▶ As long as YOU protect your password, only you and WOISD employees associated to your child will be able to see your child's information.

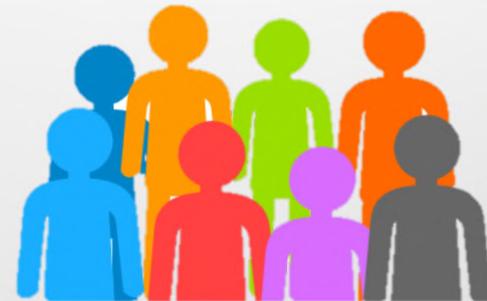

Is this system secure?

- ▶ Yes, the system requires a User ID and Password in order to log in. This information must be kept confidential by parents and students.

My husband/wife and I are separated/divorced, or we want our own logins, can we get another parent username and password for our child's account?

- ▶ Yes, Parent Portal allows for multiple parent accounts to be created per child. Therefore, both parents can have their own usernames and passwords that are linked to the student(s).

What can I see on the WOISD Parent Portal site?

- ▶ Parents can access the following information:
 - real time grades for current classes
 - attendance
 - assignments
 - immunization records

Whom should I contact if I have a question about Parent Portal?

- ▶ You can contact your child's campus clerk.
 - Please note, they will be unable to unlock your account.

What do I do if I forgot my login information?

- ▶ You can click the “Reset Password” button to reset your password.

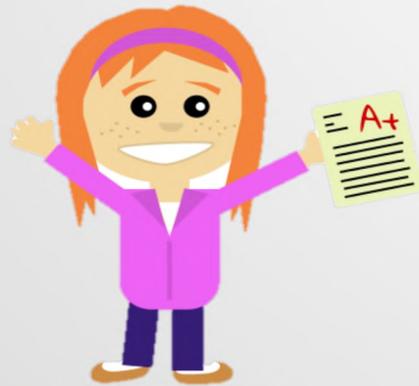

Do I need to log out of Parent Portal?

- ▶ Yes! When you are finished, please log out or shut down your computer. This way no one will be able to access your child's private information.

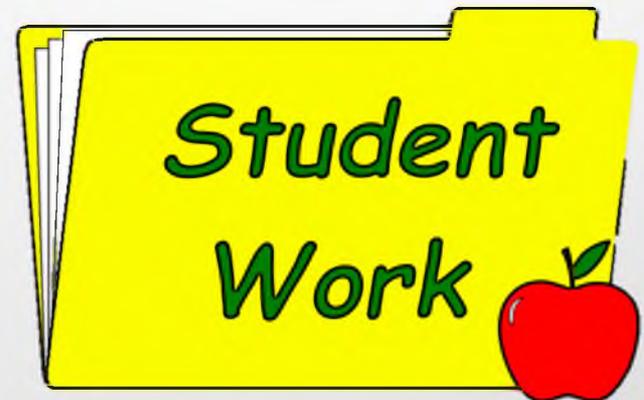

Do all teachers post grades and attendance information to Parent Portal?

- ▶ Teachers are expected to post all grades and attendance.
- ▶ Any attendance corrections will be made by the attendance clerk.

How often can we expect grades to be updated.

- ▶ Teachers need time to grade assignments and tests. Per the WOISD Grading Guidelines, teachers must enter at least one grade a week.
- ▶ Your patience is appreciated as grades may not be updated immediately when assignments are due.

How often can we expect attendance to be updated?

- ▶ Attendance is updated daily. Unexcused absences may take a few days to be amended (changed to excused) depending on the number of absences, promptness of the parent excuse note, and/or day of the week.

On behalf of West Oso ISD, we thank you for reviewing this Parent Portal Presentation. Should you have any questions or concern, please contact your child's campus.
